

SITE VISIT FOR DOCUMENTATION OF VISHRAMBAUGH WADA

Objectives: To make students understand the documentation of historic buildings in reference to Maratha Architecture

Vu architecture students visited Vishrambaugh Wada to study and document the historical elements in the Vishrambaugh Wada. The students were divided into groups and documented different cultural and architectural elements in Vishrambaugh Wada. Students during this site visit are exposed to the historical background of the Maratha Dynasty and the impact it had on different architectural elements of that time.
