## **NOTICE**

### **Observance of Partition Horrors Remembrance Day on 14th August**

All faculty, staff members and students of Vishwakarma University, Pune are hereby informed that Partition Horrors Remembrance Day is observed on 14th August every year to remember the struggles and sacrifices of millions of our fellow citizens during the partition of India in 1947. The day honours those who lost their lives, homes, and loved ones, and serves as a reminder of the importance of unity, peace, and harmony in our nation.

We encourage all students to take some time to read about the historical events of the partition, listen to survivor accounts, and reflect on the lessons it teaches us about communal harmony and national integration. You may also explore the resources and exhibitions available through Vishwakarma University's website for a deeper understanding.
