Vishwakarma University

Vishwakarma University (VU) is a natural offshoot of the Vishwakarma Group of Institutions' educational legacy spanning more than 35 years. The University has been established as a State Private University through Maharashtra Government Act in the year 2017. Being UGC approved, VU is authorized to design and implement its curriculum, conduct examinations, award degrees.

The University focuses on academic excellence, positively impacting the student community and the society at large. The learning model at Vishwakarma University is the combination of knowing, practicing, performing, and reflecting. The "learning by doing" approach practiced through industry participation provides an opportunity for practical and pragmatic learning to students. Through contemporary curriculum and ecosystem of holistic development, the university aims to prepare learners for fulfilling career paths.

Vision

Emerge as a Premier University Recognized Internationally for Excellence in Education, Research and Innovation.

Learning and exploring

Public health is multi-component, highly complex and specialized professional field. Learners understand and experience newer approaches in delivery at local, regional and global environment through interactions and exploration.

PH education at Vishwakarma University is designed to give students a 360-degree learning experience and to coexist in the industry.

A Field visit to national and International organizations and facilities allows students to identify and build a connection between experts, beneficiaries and service providers.

The Masters in Public Health. and Masters in Public Health programme develop skills, knowledge and personality of the students and encourage innovations and professional growth.

Teaching-Learning System

The MPH programme is structured to enhance critical thinking, decision making and problem solving skill development through participatory and community-based teaching and learning. All contemporary pedagogical methods are adopted and incorporated in the curriculum with due consideration for co-curricular activities.

We envisage to evolve as “Health Promoting Center of Excellence and repute of International standard in the field of Public Health”

Sabbas Joseph (Co-Founder, Wizcraft MIME)

Partnering with Vishwakarma University as Co-creators of a skilled and upskilled generation of professionals is one of the best decisions Wizcraft MIME has made in 2020. We chose VU for its forward-thinking environment of learning that synergises with our vision to deliver transformative professional higher education in the media and entertainment landscape. Here, innovation meets explorative and experiential learning; and change-makers of tomorrow's global workforce find their entrepreneurial spark. Together, our cutting-edge courses, enhanced with real-world learning and training, will develop talent to address the ever-evolving market demand for employable and entrepreneurial enterprises. The most important aspect of VU is its willingness to learn and evolve while working within the community, developing students as catalysts for change, envisioning tomorrow.

Sushma Gaikwad (Co Founder, Wizcraft MIME)

WE are delighted to partner with Vishwakarma University with a vision to provide industry relevant education in event management studies. Together we have embarked on a mission to positively impact the global narrative by mentoring future generations with key knowledge and skills required to foster excellence in innovation and creativity. We are driven to create tangible impact and have set up a Centre of Excellence with a vision to propel thought leadership and a transformative shift in the economic and cultural landscape of the global experiential industry. Vishwakarma University and Wizcraft MIME are committed to make our mutual vision a reality.

GOVERNANCE

Vishwakarma University is governed by Bansilal Ramnath Agarwal Charitable Trust (BRACT). VU has Well-established Governance Mechanism defined by its Governing Council, Board of Management, Academic Council, Board of Examination, Board of Research and Innovation, Board of Studies, Academic Advisory Boards, Internal Quality Assurance Cell, Grievance Redressal Cell, etc.

ACADEMICS

VU offers UG and PG education in varied streams such as Engineering, Management, Art, Design, Architecture, Pharmacy, Law, Journalism and Mass Communication, Humanities, Social Sciences, and beyond. Variety and depth of Foundational, Core, Elective, Ability Enhancement, Domain-specific, Audit, and General Interest Courses offers academic options to students suiting their unique interests.

FACULTY

At VU academic group of scholars and researchers supports the mission of contemporary transformative education and real-world experience. Faculty also includes professors and professionals with outstanding national / international education backgrounds, experiences, and orientations. These educators, by encouraging, engaging and challenging, positively influence the lives of students.

RESEARCH & INNOVATION

To help tomorrow take shape, committed, collaborated research and innovation efforts are carried out at VU, to identify and solve problems, enriching people's lives and creating lasting local, national and international impact. Multiple research areas are covered relevant to specific areas of expertise. The research culture underpins principles, values, and high standards.

MENTORING

Professional as well personal mentoring at VU guides and supports the students to gain social and academic confidence, develop communication, seek practical advice, identify goals and establish a sense of direction. Mentoring help student to unlock their potential, promote their academic success and fuels their growth throughout their education journey.

CAREER SUPPORT
