Vishwakarma University

Vishwakarma University (VU) is a natural offshoot of the Vishwakarma Group of Institutions' educational legacy spanning more than 35 years. The University has been established as a State Private University through Maharashtra Government Act in the year 2017. Being UGC approved, VU is authorized to design and implement its curriculum, conduct examinations, award degrees.

The University focuses on academic excellence, positively impacting the student community and the society at large. The learning model at Vishwakarma University is the combination of knowing, practicing, performing, and reflecting. The "learning by doing" approach practiced through industry participation provides an opportunity for practical and pragmatic learning to students. Through a contemporary curriculum and ecosystem of holistic development, the university aims to prepare learners for fulfilling career paths.

Vision

Emergence as a Premier University Recognized Internationally for Excellence in Education, Research and Innovation.

Mission

Learning and exploring

At Vishwakarma all the courses thrive to educate the students not only through classroom learning but also by providing practical exposure in their respective fields. Students are provided with guidance to understand and experience newer arenas of global environment through interactions and exploration. Education at Vishwakarma University is designed to give students a 360-degree learning experience which includes conceptual and fundamental knowledge along with domain specific industry skills. Internships alongwith field and industry visits allow students to identify and build a connection between academic knowledge and industry requirements. The Bachelors and Masters programs focus on developing skills, knowledge and personality of the students and to encourage activities through creations and innovations.

Teaching-Learning System

The structure of programs under Humanities and Social sciences is a combination of skill development, skill enhancement, on field study, Hands-on experience with the industry, supported by fundamental knowledge.

The courses offered under Humanities and Social Sciences are a combination of personal development, industry skills, enhancement of practical knowledge through field visits, industry visits and hands on experience with the internships. The practical exposure is supported by fundamental knowledge through classroom teaching.

Siddhi Kapshikarr (B.A Hons.Music (Hindustani Vocal Music), VU)

This course is very interesting as it gives equal importance to Hindustani music, Carnatic music and Western music. We also have very helpful faculty. They help us a lot. We also have Dr. L. Subramaniam Sir and Kavita Krishnamurthy ma'am often times visiting our university and guiding us. Apart from all these, we also have workshops on Hindustani music, Western music and Percussion. I learnt a lot of things since I joined VU.

Manjiri Jumade (BSc Economics, VU)

I decided to choose BSc Economics as I wanted to understand the subject in great detail . I surfed on the internet for better career prospects in economics and having a Bsc degree in economics will be more appropriate for me than a BA as I want to become an investment banker. My experience with VU till now is really good. Our professors are really very supportive and they really want us to thrive in our careers. This was my overall experience with VU till now. Vishwakarma is a good example of an ideal place for students who want to pursue excellence in their desired stream. To add a feather to the cap, it focuses on rigorous training to develop the employability of every student and also offers excellent employment opportunities."

Parul Prasad (BA Hons Psychology, VU)

Vishwakarma University is an excellent institution for learning - not only because of its excellent academic framework, but also a holistic learning environment. The programme is extremely student inclusive and engaging allowing us to be very involved in our learning process. I feel like one of the best aspects of VU is its teaching staff and faculty. The faculty is so helpful and efficient in solving any of our problems or queries. Our professors are extremely resourceful & knowledgeable about their subject matter, which helps us grasp concepts quickly & thoroughly. They're also very patient and approachable. The employability focus and innovative approach of the programme allow us to build many important real-world skills, with the mentoring systems giving us necessary guidance on various aspects.

GOVERNANCE

Vishwakarma University is governed by Bansilal Ramnath Agarwal Charitable Trust (BRACT). VU has Well-established Governance Mechanism defined by its Governing Council, Board of Management, Academic Council, Board of Examination, Board of Research and Innovation, Board of Studies, Academic Advisory Boards, Internal Quality Assurance Cell, Grievance Redressal Cell, etc.

ACADEMICS

VU offers UG and PG education in varied streams such as Engineering, Management, Art, Design, Architecture, Pharmacy, Law, Journalism and Mass Communication, Humanities, Social Sciences, and beyond. Variety and depth of Foundational, Core, Elective, Ability Enhancement, Domain-specific, Audit, and General Interest Courses offers academic options to students suiting their unique interests.

FACULTY

At VU academic group of scholars and researchers supports the mission of contemporary transformative education and real-world experience. Faculty also includes professors and professionals with outstanding national / international education backgrounds, experiences, and orientations. These educators, by encouraging, engaging and challenging, positively influence the lives of students.

RESEARCH & INNOVATION

To help tomorrow take shape, committed, collaborated research and innovation efforts are carried out at VU, to identify and solve problems, enriching people's lives and creating lasting local, national and international impact. Multiple research areas are covered relevant to specific areas of expertise. The research culture underpins principles, values, and high standards.

MENTORING

Professional as well personal mentoring at VU guides and supports the students to gain social and academic confidence, develop communication, seek practical advice, identify goals and establish a sense of direction. Mentoring help student to unlock their potential, promote their academic success and fuels their growth throughout their education journey.

CAREER SUPPORT

Career Progression Pathways

The students are encouraged to consider multiple pathways and select the best one. The support is extended to all the students w.r.t. following pathways:

- Jobs (Private Sector / Government Jobs / Social Enterprises)
- Business (New Venture / Professional Practice / Family Business)
- Further Studies (Within Country / Study Abroad / Research Careers)

Career Success Factors Model

The Vishwakarma University has evolved a conceptual model regarding career success. The key aspects are as follows;

- Knowledge (Applied & Fundamental Domain Knowledge | Inter-Disciplinary Knowledge | Industry Awareness | Current Affairs)
- Skills (Functional Domain specific Skills | Interpersonal Skills | Self-Management Skills | Use of State-of-the- Art Tools)
- Attitude (Continuous Learning | Positive Approach | Commitment to Work | Professional and Civic Values)

Placement and Career Progression Assistance Programme (PCPAP)

Vishwakarma University has developed a comprehensive programme for the students to make them career ready and provide them job opportunities. The purpose is to help prepare students for career progression and placement over and above academic inputs by engaging with industry professionals, corporate trainers, and expert faculty.

The training includes Courses, Tests, Quizzes, Assignments, Interactions, Role Plays, Activities, and Projects.

The placement includes on-campus, off-campus, pool campus, and virtual campus placement drives.
