

## **Advisory for re-opening of University Campus**

Everyone is advised to follow the following public health measures and protocols on re-opening of the Vishwakarma University Campus:

1. Maintain physical distancing as per the government & UGC guidelines sent on email and notified on University website.
2. Use face covers/masks compulsorily.
3. Carry own water bottle and eatables, preferably.
4. Wash hands frequently with soap. Use alcohol-based hand sanitizers whenever possible.
5. Follow respiratory etiquettes involving covering mouth and nose, while coughing/sneezing, with a tissue/handkerchief/flexed elbow and disposing of used tissues properly.
6. Use sanitizer provided at every building entry/exit point.
7. Do not spit in public places.
8. Regularly sanitize the mobile phones, laptops, audio, video and other media accessories.
9. Ensure the norms of physical distancing, sanitization and hygienic conditions while using common facilities.
10. Do not share mobile phone, books, other learning material, personal belongings and drinking water bottle, personal sanitizer bottle.
11. Avoid group activities (both formal and informal), cultural activities, meeting etc. in the campus.
12. Everyone entering the campus will go through a strict sanitisation process involving washing the hands, contactless temperature check, hand sanitization and wrist banding to ensure that the everyone has gone through all the sanitisation checks and is eligible to enter any campus facility. Everyone should wear safety bands throughout the stay on campus and discard the band at exit point daily.
13. Self-isolate and report to the university authorities in case of any symptoms of covid-19.
14. Everyone having symptoms of fever, cough or difficulty in breathing will be strictly prohibited from entering the campus.
