**Donald Green, Australia** - A world famous artist, Donald Green from Australia ..... has more than five decades of experience. Below is a brief profile of his : Donald H Green, an artist with a passion for nature and architecture. Study / Travel / Europe, Greece, North Africa, 1959 / 1963 -1968 : Travel has been an essential life-long element for Donald. After graduation from The **Royal Melbourne Institute of Technology**, Dip of Art 1960, he worked as a junior art-director in an advertising agency. In 1963 Donald toured Europe then settled for four years in Greece, in the ancient, Heritage village of Lindos on the island of Rhodes. Melbourne sponsor-ship enabled Donald to begin the cycle of producing and selling his artwork in Australia. In Lindos he was also artistic director for William E Clow's hand-weaving cottage industry: Looms of Lindos which produced wide meterage that was sold in many European cities. From his Greece base, side-trips followed – with drawing trips to Turkey, Tunisia, Libya, Paris, London. (Lindos Panorama Drawing / L of L Fabrics) Theatre set-design.
