

Bachelor of Architecture (B.Arch)

(5 Years Undergraduate Degree Programme, Approved by Council of Architecture)

Semester wise Course List

Year I : Semester I

- Basic Design & Visual Art
- Building Materials & Technology-I (SV)
- Building Materials & Technology-I (PP)
- Structures-I (SS)
- Structures-I (PP)
- Architectural Graphics-I
- History of Indian Architecture-I
- Introduction To Architecture.
- Workshop & Model Making-I
- Audit Course-I
- General Interest Course-I

Year I : Semester II

- Architectural Design -I
- Building Materials & Technology-II (SV)
- Building Materials & Technology-II (PP)
- Structures-II (SS)
- Structures-II (PP)
- Architectural Graphics-II
- History of Indian Architecture- II
- Communication Skills
- Workshop & Model Making-II
- Audit Course-II
- General Interest Course-II

Year II : Semester III

- Architectural Design -II (SV)
- Architectural Design -II (PP)
- Building Materials & Technology-III (SV)
- Building Materials & Technology-III (PP)
- Structures-III (SS)
- Structures-III (PP)
- Architectural Graphics-III
- History of World Architecture-I
- Climatology
- Site and Analysis
- Building Services-I
- Audit Course-III

- General Interest Course-III

Year II : Semester IV

- Architectural Design -III (SV)
- Architectural Design -III (PP)
- Building Materials & Technology-IV (SV)
- Building Materials & Technology-IV (PP)
- Structures-IV (SS)
- Structures-IV (PP)
- Architectural Graphics-IV
- History of World Architecture-II
- Aesthetic and Building Appraisal
- Elective-I (Choice as per list)
- Building Services-II
- Audit Course-IV
- General Interest Course-IV

Year III : Semester V

- Architectural Design -IV (SV)
- Architectural Design -IV (PP)
- Building Materials & Technology-V(SV)
- Building Materials & Technology-V (PP)
- Structures-V (SS)
- Structures-V (PP)
- Estimating, Costing & Specification Writing-I
- Working Drawing-I
- Landscape Architecture-I
- Elective-II (Choice as per list)
- Building Services-III
- Audit Course-V
- General Interest Course-V

Year III : Semester VI

- Architectural Design -V (SV)
- Architectural Design -V (PP)
- Building Materials & Technology-VI (SV)
- Building Materials & Technology-VI (PP)
- Structures-VI (SS)
- Structures-VI (PP)
- Estimating, Costing & Specification Writing-II
- Working Drawing-II
- Landscape Architecture-II
- Elective-III (Choice as per list)
- Building Services-IV
- Audit Course-VI
- General Interest Course-VI

Year IV : Semester VII

- Architectural Design -VI (Housing)
- Advance Building Materials & Technology-I
- Professional Practice-I
- Urban Studies-I
- Research and Publication
- Estimating, Costing & Specification Writing-III
- Elective-IV (Choice as per list)
- Environmental Studies
- Audit Course-VII
- General Interest Course-VII

Year IV : Semester VIII

- Internship/Practical Training

Year V : Semester IX

- Architectural Design -VII (Urban Design)
- Advance Building Materials & Technology-II
- Professional Practice-II
- Urban Studies-II
- Dissertation -I (Part-I)
- Sustainable Architecture
- Contemporary Architecture
- Elective-V (Choice as per list)
- Audit Course-VIII
- General Interest Course-VIII

Year V : Semester X

- Dissertation-II (Part-II)
- Project Management
- Entrepreneurship skills for Architects
- General Interest Course-IX
