Purpose: To spread the awareness about the Oral hygiene on World Oral Health Day celebration.

Objective

Activity was planned with following objectives-

- To spread awareness about Oral Hygiene.
- Share the knowledge on oral cavities, scaling, etc

Introduction/About

School of Pharmacy, Vishwakarma University had organized an expert session on ORAL HYGIENE (20th March) on 26th March 2022 at 12.00pm on Google Meet platform. Considering the ignorance of people regarding maintenance of oral hygiene and lack of knowledge about oral cavities, scaling, etc. our institute had organized this expert session for general awareness among students and faculties.

Dr. Shubhangi Lokhande-Dole, BDS, MDS- Prosthodontist and crown bridge dental surgeon, was the resource person. The resource person was introduced to the gathering by Prof. Amrita Thakur. The speaker was then invited to deliver the talk.

Dr. Shubhangi started the session with a very good quote describing, smile as important tool of a confident person. She explained the audience regarding the importance of oral hygiene, brushing methods and oral cavities. She also discussed various myths popular among people for visiting dentist. She finally concluded by giving tips to the audience regarding oral health and timely visit to the dentists.
