Subject: Invite to participate in Maha Walkathon 2019 to spread awareness on Road Safety – No Honking – Responsible Driving – 30 November 2019

Greetings from Public Works Department !

Vehicular honking in cities has reached alarming levels, contributing to 70% of Noise Pollution in our environment. Honking is a menace that is plaguing our city and affecting all of us, including children.

Same is the case with Road Safety rules being followed by all – Drivers and pedestrians. It is observed that there are more than 1.5 Lakh deaths by road accidents each year, and Maharashtra accounts for about 15,000 deaths and this number is just not coming down. The department is concerned about this level of road accidents and is determined to reduce the same by taking appropriate measures.

One of which is to educate the citizens by our Movement: **Maha Walkathon**

Maha Walkathon is a joint event organized by Maharashtra Motor Vehicle Department, Public Works Department, CASI global and CSR Diary. Participation in Maha Walkathon to create awareness on Road Safety – No Honking – Responsible Driving will go a long way in controlling the same. Hence we appeal everyone to join us and create awareness in the society.

Kindly issue a circular to this effect so your students and students from your affiliated Colleges can join the movement.
