**NOTICE- FOR STUDENT**  
**REGARDING CORONAVIRUS SITUATION**

With the news of presumptive cases of Coronavirus (2019-nCoV) in Pune, we understand there could be some anxiety. The university wants to assure you that the situation is being monitored carefully, and the University is following all official directions.

However, to help you to protect you from possible infection, Health officials recommend you:

- Wash your hands frequently and well with soap and water
- Use alcohol-based hand sanitizer
- Avoid touching your eyes, nose or mouth
- Cough or sneeze into your elbow, or cover your cough or sneeze
- Avoid close contact with anyone showing symptoms of respiratory illness
- If you are sick, contact a health care provider about your symptoms and inform them of your travel history.

Symptoms of the Coronavirus range from common to severe respiratory illness and include fever, cough and difficulty in breathing.

If you or any of your family member have recently travelled internationally and are experiencing these symptoms, avoid contact with others, see a health care provider and tell them the countries visited.

If you are suffering from fever, cough, shortness of breath and breathing difficulties or any other infection, please see concerned medical practitioner immediately. Also inform your programme coordinator/ class teacher/ mentor about the same. Please come to university only after proper medication and availability of appropriate medical fitness certificate.

The university will provide you with timely updates about working of Vishwakarma University.
